Section 1 - General Instructions and Information

Do not respond to items in this section unless specifically and expressly required

1.1. Introduction

The goal of this RFP is to identify a partner which can work in close collaboration with the University of Arkansas at Little Rock (UA Little Rock) and provide services and expertise in the areas of federal agency outreach, strategic teaming, and congressional relations for the purposes of supporting UA Little Rock research and technology transfer initiatives.

1.2. Objective and Goals

The university seeks to partner with a firm that focuses on building the university's research portfolio to support cutting edge work at UA Little Rock in areas ranging from bone regeneration to protection of the nation's energy grid. The objective of this RFP is to select an experienced company that has the knowledge and relationships with federal agencies in the key technology areas of the university. The overarching goal is to enhance and expand the level of federal funding support for UA Little Rock research centers and faculty.

1.3. About UA Little Rock

UA Little Rock is a metropolitan research university that provides access to quality education through flexible learning and unparalleled internship opportunities. At UA Little Rock, we prepare our students to be innovators and responsible leaders in their fields. Committed to its mission, UA Little Rock is a driving force in Little Rock's thriving cultural community and a significant component of the city and state's growing profile as a regional leader in research, technology transfer, economic development, and job creation.

For more information on the university, please see ualr.edu/about/.

1.4. Type of Contract

1.4.1. As a result of this solicitation, UA Little Rock intends to award a contract to a single supplier.

1.4.2. The anticipated starting date for any resulting contract is July 01, 2024. However, the university may adjust the contract start date for up to three calendar months. By submitting a signed proposal in response to this solicitation, the prospective supplier represents and warrants that it will honor its proposal as being held open as irrevocable after this period.

1.4.3. The initial term of a resulting contract will be for one (1) year. Upon mutual agreement by the supplier and university, the contract may be renewed by UA Little Rock for up to six (6) additional one-year terms or portions thereof, not to exceed a total aggregate contract term of seven (7) consecutive years.

1.4.4. Pursuant to Arkansas Code Annotated § 19-11-249, any campus, unit or division of the University of Arkansas System or any college or university in Arkansas will be eligible to acquire from the successful purchaser or bidder goods or services that are the subject of this procurement, on all of the terms and conditions contained in any contract issued under this solicitation.

1.5. Schedule of Events

1.5.1. For informational purposes, UA Little Rock is providing a Solicitation Schedule of Events; however, dates listed and noted with an asterisk (*) are anticipated dates only and are subject to change at the discretion of the university.

1.7. University Contract Administrator

- 1.7.1. Sheri O'Brien, Contract Review Manager, hereinafter referred to as the Contract Administrator, shall serve as UA Little Rock's representative and administrator of this contract.
- 1.7.2. The Contract Administrator shall manage all aspects of the contractual relationship to ensure that the Supplier's total performance is per the contractual commitments and that the obligations of the Supplier under the terms and conditions of the contract are being fulfilled.
- 1.7.3. The Contract Administrator shall work with the Supplier throughout the contract term. The Contract Administrator shall transmit all instructions, questions, approvals, and special requests concerning the contract. The Contract Administrator may designate other university personnel to assist with the administration of the contract.

1.8. Clarification of RFP Solicitation

- 1.8.1. Submit any questions requesting clarification of information contained in this solicitation via email to the buyer no later than the date and time listed in Table A. Questions will be consolidated and responded to by the university as deemed appropriate. The university's consolidated, written response is anticipated to be posted on the university's website by the close of business on the date provided in Table A.
 - A. For each question submitted, the prospective supplier should reference the specific solicitation item number to which the question refers.

- B. If a prospective supplier's questions are unclear or non-substantive, the university may request clarification of a question(s) or decline to answer.
- 1.8.2. The prospective supplier should notify the buyer of any term, condition, etc., that precludes the prospective supplier from submitting a compliant, responsive proposal. Prospective suppliers should note that it is their responsibility to seek resolution of all such issues, including those relating to the terms and conditions of the contract, before submitting a proposal.
- 1.8.3. Prospective suppliers may contact the buyer with non-substantive questions at any time prior to the proposal opening.
- 1.8.4. An oral statement by UA Little Rock will not be part of any contract resulting from this solicitation. It may not reasonably be relied on by any prospective supplier as an aid to interpretation unless it is expressly adopted in writing by UA Little Rock.
- 1.8.5. Only an addendum written and authorized by the university will modify the solicitation.
 - A. An addendum posted within three (3) calendar days prior to the proposal opening may extend the proposal opening and may or may not include changes to the solicitation.

1.9. Definition of Terms

Section 2 - Requirements & Specifications

Do not respond to items in this section unless specifically and expressly required.

2.1. Prospective Supplier Qualifications

2.1.1. Minimum Qualifications

In order to qualify as a responsive bidder, the bidder must meet the minimum qualifications below. After verification that the minimum qualifications have been met, UA Little Rock will award points based on the level of the bidder's qualifications.

- A. Demonstrated relationships with federal funding agencies, including but not limited to the U.S. Department of Defense and U.S. Department of Energy.
- B. Knowledge of federal funding systems and a demonstrated ability to track client funding interests and requests through the federal budget process.
- C. Technical expertise and track record of federal research awards and legislative success in UA Little Rock research priority areas including advanced materials and nanotechnology, data/information science and visualization, social media analysis for national security, cybersecurity, energy and renewable energy, biotechnology and medical/healthcare, and manufacturing.
- D. Demonstrated current working knowledge of Arkansas' congressional delegation.
- E. Experience with university research initiatives, coalitions, and associations.

2.1.2. Preferred Qualifications

UA Little Rock will award additional points for bidders able to meet the preferred qualifications below:

- A. Experience facilitating partnerships between a public research university and federal agencies.
- B. Demonstrated relationships with the U.S. DOE National Laboratories, and/or U.S. DOD laboratories or systems commands, and/or Federally Funded Research and Development Centers.
- C. Experience consulting in the area of government affairs with a public research university.
- D. Experience with technology transfer.

2.2 Federal Agency Outreach to Preposition for Funding Opportunities

- A. Contractor shall assist university principal investigators to build relationships with federal program managers in technology areas of interest to UA Little Rock. Focus areas include (but are not limited to) advanced materials and nanotechnology, data/information science and visualization, social media analysis for national security, cybersecurity, energy and renewable energy, biotechnology and medical/healthcare, and manufacturing. Agencies of particular interest include the Department of Defense, Department of Energy, Department of Agriculture, Department of Health and Human Services, and Department of Commerce.
- B. Interact regularly with university principal investigators, center directors, and administrators to advise on federal research priorities, funding, agency trends, political factors, and other developments that impact ongoing research and relate to future research opportunities.
- C. Identify program managers and federal officials across federal agencies and deliver to UA Little Rock marketing maps and recommendations on engagement.
- D. Facilitate and lead visits/discussions involving UA Little Rock principal investigators and administrators with federal program managers and agency officials.
- E. Grant and funding assessments to highlight specific opportunities for UA Little Rock.
- F. Provide federal program development workshops/training to university principal investigators.

2.3 Strategic Training

- A. The contractor shall leverage its network and use its understanding of federal agency interests to assist the university to team strategically in the pursuit of research opportunities and technology transfer. The contractor shall evaluate UA Little Rock's strengths and research objectives and recommend private sector and government collaborators.
- B. Identify potential research partners/collaborators, recommend teaming strategies, and facilitate teaming discussions.
- C. Work with and advise UA Little Rock partners as part of team efforts, including leading team engagements with federal agencies, the Administration (Office of Management and Budget and White House/Office of Science and Technology Policy), and Congress.
- D. Assist UA Little Rock to build and/or join ad hoc coalitions as appropriate to create new federal programs in areas of interest to UA Little Rock.

2.4 Congressional Relations

The contractor shall assist the university to craft and execute legislative initiatives that support the university's research and education mission. The contractor shall also help maintain awareness of university developments and priorities within the Arkansas delegation, and facilitate regular communications between the university and Congress.

- A. Recommend innovative legislative strategies to continue congressional support for ongoing and new federal initiatives given the turbulent congressional budget cycle and shifting policies on how Members of Congress can support constituent interests.
- B. Assist the university to work with the Arkansas delegation (and other delegations as necessary) to execute legislative initiatives including preparing briefing materials, tracking progress of legislation, engaging proactively with congressional staff to provide timely information, etc.
- C. Make recommendations for and assist in congressional engagement with the Administration to highlight university research and increase the visibility of UA Little Rock with agency officials.
- D. Support university programs in Washington, DC involving the Arkansas delegation.
- E. Promote and facilitate visits by Members of Congress and staff to the university and to university partner facilities.

2.5 Proposal and Grant Support

- A. The contractor shall provide support to university principal investigators and administrators to achieve the highest level of quality in proposal submissions. The contractor shall also be available to provide guidance and expertise for the administration and close out of federal grants, agreements and contracts.
- B. Assistance in capture team development and proposal formulation to capitalize on grant opportunities
- C. Identify and provide detailed overviews of funding opportunities of interest to UA Little Rock research strengths including guidance on content, cost share, application process requirements and deadlines:
 - 1. Provide red-team review of preliminary applications (white papers)
 - 2. Provide comments on draft and final versions of executive and technical summaries of applications
 - 3. Advise on cost proposals (e.g., allowable cost share, equipment purchases)
- D. Advise UA Little Rock on the execution and negotiation of awards and provide advisory services related to UA Little Rock federal contracting issues such as contract extensions, audit reviews, protests, transfer of equipment, and overhead rates.

2.6 Performance Standards

State law requires that qualifying contracts for services include Performance Standards to measure the overall quality of services provided. The university's Performance Standards are outlined in Table B (page 11).

- 2.8.1 Performance Standards identify expected deliverables, performance measures, or outcomes and define the acceptable standards a supplier should meet to avoid assessment of damages.
- 2.8.2 The university may be open to Performance Standards negotiations before contract award, before the commencement of services, or throughout the contract duration.
- 2.8.3 The university **shall** have the right to modify, add, or delete Performance Standards throughout the contract's term should the university determine it is in its best interest to do so.
- 2.8.4 Any changes or additions to performance standards will be made in good faith following accepted industry standards, and may include the input of the supplier to establish reasonably achievable standards.
- 2.8.5 All changes made to the Performance Standards **shall** become an official part of the contract.
- 2.8.6 Performance Standards **shall** continue throughout the term of the contract.
- 2.8.7 Failure to meet the minimum Performance Standards as specified may result in the assessment of damages.
- 2.8.8 If a Performance Standard is not met, the supplier will have the opportunity to defend or respond to the insufficiency.
- 2.8.9 The university **shall** have the right to waive damages if it determines there were extenuating factors beyond the supplier's control that hindered performance. In these instances, the university shall determine the performance acceptability.
- 2.8.10 Should any compensation be owed to the university due to the assessment of damages, the supplier should follow the direction of the university regarding the required compensation process.

Section 3 - Selection

Do not provide responses to items in this section unless specifically and expressly required.

3.1 Selection Process

- 3.1.1. UA Little Rock will review each Technical Proposal Packet to verify submission requirements have been met. Technical Proposal Packets that do not meet submission requirements may be disqualified and may not be evaluated.
- 3.1.2. The university may conduct cost checks based on the cost submitted by each prospective supplier on the completed Pricing response.
 - A. Prospective suppliers submitting responsive proposals with a proposed cost that falls twenty-five percent (25%) or more from the average submitted cost may be asked to justify their submitted cost.
 - B. Should the university request clarification and/or additional information regarding cost, prospective suppliers shall provide clarification and/or additional information as specified by the request.
- 3.1.3. A university appointed evaluation committee will evaluate and score qualifying Technical Proposals.
 - A. Evaluation will be based on the prospective supplier's response to the Information for Evaluation section included in the Technical Proposal Packet. See Table C for the scoring scale.
 - B. Members of the Evaluation Committee will individually review and evaluate proposals and complete an Individual Score Worksheet for each proposal.
 - C. After individual evaluations are complete, the Evaluation Committee will meet to discuss their ratings. At this consensus scoring meeting, each member will be afforded an opportunity to discuss his or her rating for each evaluation criterion.
 - D. After the committee discusses their individual scores as a group, each member will have the opportunity to change their initial individual scores, if they feel that is appropriate.
 - E. The final individual scores of the evaluators will be recorded on the Overall Score Sheets and averaged to determine the consensus score for each proposal.
 - F. Other agencies, consultants, and experts may also examine documents at the discretion of the university.

SCORE	DESCRIPTION
10	The response provides metrics clearly establishing that the prospective supplier is reliable and capable of fully performing the required scope of work.
5	The response provides metrics suggesting that the prospective supplier's level of performance may be acceptable, but it does not clearly establish that the prospective supplier is reliable and capable of fully performing the required scope of work.
0	The response provides metrics clearly establishing that the prospective supplier is unreliable and incapable of fully performing the required scope of work.

Table C

3.2 Technical Proposal Score

- 3.2.1. The university uses blind scoring for Request for Proposals. This practice reduces the risk of an unintentional bias swaying the RFP results and subsequent supplier selection. It is particularly important if there's an incumbent or preferred vendor prior to solicitation issuance.
- 3.2.2. The Information for Evaluation section has been divided into seven sections. Each subsection has a maximum point value of ten (10), and is weighted according to its significance as determined by the university. See Table D for each subsection's total point value; listed as the Maximum Raw Score Possible.

INFORMATION FOR EVALUATION SUBSECTIONS	MAXIMUM RAW POINTS POSSIBLE	SUBSECTION'S WEIGHTED PERCENTAGE	MAXIMUM WEIGHTED SCORE POSSIBLE
E.1 Prospective Supplier Qualifications	90	25	175
E.2 Federal Agency Outreach	60	15	105
E.3 Strategic Training	40	10	70
E.4 Congressional Relations	60	15	105
E.5 Proposal and Grant Support	40	10	70
E.6 Required Submittals	30	10	70
Total Technical Score	320	100%	700

Table D

The supplier's weighted score for each subsection will be determined using the following formula:

$$(A/B)*C = D$$

A = Actual Raw Points received for subsection in evaluation
 B = Maximum Raw Points possible for subsection
 C = Maximum Weighted Score possible for subsection
 D = Weighted Score received for subsection

- 3.2.3. Supplier's weighted scores for subsections will be added to determine the Total Technical Score for the proposal.
- 3.2.4. Responses that do not receive a minimum total weighted technical score of **300** may not move forward in the solicitation process.
- 3.2.5. Pricing for proposals that do not move forward shall not be scored.

3.3 Cost Score

When pricing is opened for scoring, the maximum cost points will be given to the proposal with the lowest price, as shown on the Official Solicitation Price Sheet. (See Grand Total Score for maximum points possible on the Financial Proposal.)

The number of cost points given to the remaining proposals will be allocated by using the following formula:

$$(A/B)*C = D$$

A = Lowest Total Cost
 B = Second (third, fourth, etc.) Lowest Total Cost
 C = Maximum Points for Lowest Total Cost
 D = Total Cost Points Received

3.4 Grand Total Score

The Technical Score and Presentation Score will be added together to determine the Grand Total Score for the supplier. The supplier with the highest Grand Total Score will be selected as the apparent successful supplier. Based on the ranking of the proposals, the university may move forward in discussions with those responsible prospective suppliers determined to be reasonably susceptible to being selected for award. (See Award Process.)

	MAXIMUM POINTS POSSIBLE
Technical Proposal - Information for Evaluation	700
Cost	300
Maximum Possible Grand Total Score	1,000

Table E

3.5 Discussions

- 3.5.1. The university will move forward into discussions with the responsible prospective supplier(s) whose proposal(s) have been determined to be reasonably susceptible to being selected for award.
- 3.5.2. Discussions may be conducted with the highest-ranking prospective suppliers based on the grand total score for each proposal or with multiple prospective suppliers reasonably susceptible to being awarded a contract.
- 3.5.3. Should the university choose to engage in discussions with the highest-ranking prospective suppliers, the prospective suppliers invited to participate in discussions **shall** provide all documents required during discussions.
 - A. Should the university determine, through the discussion process, that the prospective supplier’s solution, approach, timelines, deliverables, expectations of the university, or a combination thereof makes the prospective suppliers no longer reasonably susceptible to being awarded a contract, the university may abandon discussions with that prospective supplier and may proceed to additional rounds of discussions with the next highest-ranking prospective supplier.
- 3.5.4. Should the university choose to engage in discussions with multiple prospective suppliers contemporaneously, each prospective supplier invited to participate in discussions **shall** provide all documents required during discussions.
 - A. Should a prospective supplier not provide the required documents within the timeframes requested by the university or choose not to engage in the discussion process, the prospective supplier’s proposal will be considered withdrawn and will not be subject to further consideration in the solicitation process.
- 3.5.5. If discussions necessitate material revisions of proposals, each responsible prospective supplier reasonably susceptible of being awarded a contract will be provided an opportunity to revise its proposal for the purpose of submitting a best and final offer.
- 3.5.6. During the discussion kick-off meeting, the prospective supplier shall provide the following documents to the university:
 - A. A detailed scope of work clearly identifying the prospective supplier’s understanding, implementation, and performance of services required in this solicitation, including all activities required by the supplier and all activities expected by the university.

- B. A risk management plan intended to mitigate any risks, including but not necessarily limited to, the risks identified in the risk plan submitted in the prospective supplier's Technical Proposal Packet
 - C. A proposed financial summary, including
 - 1. The completed pricing response and recommended options form submitted in the prospective supplier's Technical Proposal Packet
 - 2. A proposed payment schedule.
 - D. Proposed project management and reporting templates.
- 3.5.7. During the discussion's kick-off meeting, the prospective supplier shall address questions and/or concerns the university may have to the satisfaction of the university.
- 3.5.8. During discussions, the prospective supplier shall revise the discussion documents until an agreement is made and the university has provided final approval.
- A. The prospective supplier shall attend follow up meetings as determined necessary by the university. Reasonable efforts will be made to accommodate scheduling conflicts.
- 3.5.9. During discussions, the prospective supplier shall present a final draft of the discussion documents to the university, including, at minimum:
- A. A summary of all plans and scope of work developed during the discussion process and mutually agreed upon by the university and the prospective supplier.
 - B. A detailed scope of work clearly identifying the prospective supplier's implementation and performance of services required in this solicitation, including all provisions negotiated and agreed upon by the university and the prospective supplier since the discussions kick-off meeting.
 - C. Description of deliverables in terms of simplified metrics.
 - D. The Risk Management Plan.
 - E. Project management and reporting templates.
 - F. Financial summary, including:
 - 1. The completed Pricing Response submitted with the prospective supplier's Technical Proposal Packet.
 - 2. A list of agreed upon and accepted recommended options (with impact to price).
 - 3. A payment schedule.
 - 4. Contact information for the prospective supplier's key personnel.
- 3.5.10. During discussions, the prospective supplier shall present the final drafts of the items and shall summarize the coordination and planning completed during the discussion process.
- 3.5.11. Once approved by the university, final drafted documents will become part of the resulting contract.
- 3.5.12. The prospective supplier may determine which key personnel will attend the discussion meetings.

3.6 Anticipation to Award

- 3.6.1. Once an anticipated supplier has been determined, the anticipated award will be posted to the university bid website.
- 3.6.2. It is the responsibility of prospective suppliers to check the bid website for the posting of an anticipated award.
- 3.6.3. Anticipated awards will generally be posted for a period of fourteen (14) days prior to the issuance of a contract. These notices are anticipated awards only and are subject to protest.
- 3.6.4. A contract resulting from this solicitation may be subject to review and approval processes prior to award, which may include Legislative review.

3.7 Prospective Supplier's Acceptance of Evaluation Technique

The submission of a Technical Proposal Packet signifies the prospective supplier's understanding and agreement that subjective judgments will be made during the evaluation and scoring of the responses.

Section 4 - General Terms and Conditions

Do not provide responses to items in this section unless specifically and expressly required.

4.1. Acceptance of Requirements

- 4.1.1. A prospective respondent's past performance with the state, system, or university may be used to determine if the prospective respondent is responsible. (Arkansas Code Annotated Rule R8:19-11-229).
 - A. Proposals submitted by prospective respondents determined to be non-responsible will be rejected.
- 4.1.2. A single prospective supplier must be identified as the prime contractor.
 - A. The prime contractor shall be responsible for the resulting contract and jointly and severally liable with any of its subcontractors, affiliates, or agents of the state for the performance thereof.
- 4.1.3. By submission of a proposal, the prospective respondent represents and warrants:
 - A. The prices in the proposal have been arrived at independently, without any collusion with another competing prospective respondent.
 - 1. Collusion violates Arkansas Procurement Law and can lead to suspension, debarment, and can be referred to the Attorney General's officer for investigation and appropriate legal action (Arkansas Code Annotated §§ 19-11-240 and 19-11-245).
 - B. That the prospective respondent has not retained a person to solicit or secure the resulting contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, except for retention of bona fide employees or bona fide established commercial selling agencies maintained by the prospective supplier for the purpose of securing business.
- 4.1.4. The prospective respondent should not discuss the solicitation or proposal response, issue statements, or comments, or provide interviews to public media during the solicitation and award process.
- 4.1.5. Goods, qualifications, and services must meet or exceed the required specifications as set forth in the solicitation.
- 4.1.6. The university will not pay costs incurred in the preparation of the proposal.
