- Q:** When references are contacted, how will MidSOUTH link supplier's work to the reference, considering supplier is not allowed to provide project names in the Information for Evaluation Section of the technical response packets?

A: Requirement E.2.C. will be fulfilled with the completion of page 7, "Supplier References," in the Technical Response Packet. Do not list them a second time in the Information for Evaluation section. The supplier reference page will be separated from the Information for Evaluation pages during the blind scoring evaluation. References may be contacted after the blind scoring is completed during the evaluation process.
- Q:** Please confirm that a Voluntary Product Accessibility Template (VPAT) is not applicable to this procurement.

A: A Voluntary Product Accessibility Template (VPAT) is not applicable to this procurement and is not required.
