

## Procurement Services

University of Arkansas at Little Rock

2801 S. University Ave., Little Rock, AR 72204-1099 | (O) 501.916.3144 | (F) 501.916.3425

### FB-26-015 QUESTIONS AND ANSWERS

Responses are below in **RED**

#### Section 1

Question: Are you looking for a total of 5 units or 1 unit with 5 modules?

Answer: Five table-top industrial automation training systems are required to support classroom and laboratory instruction. These individual units will allow students to work with real industrial control system (ICS) components and recreate operational environments rather than relying on simulated systems.

Question: Could you please let me know the tax rate for your college?

Answer: Our university is located in Little Rock, Arkansas, and the tax rate is 8.625%.

#### Section 2

Question: If we can't deliver within 30 days, would we not be considered?

Answer: Answer: Per Section 2.2.A of the IFB, while the University requests delivery within 30 calendar days, suppliers who cannot meet this timeline are encouraged to submit a bid. Suppliers must clearly state their required lead time in the 'Proposed alternate delivery date' section of the Official Bid Price Sheet. The University will evaluate alternate delivery dates to determine if they serve the University's best interest. Award will be made to the lowest responsive and responsible bidder whose bid meets the specifications and provides a delivery timeline acceptable to the department.
