- All students must have an advising meeting every semester.
- Flags are not raised without a meeting.
- Double majors must be advised by **both** majors. **Flags are raised only after the advising meeting with the second major.**
 - **Student who skip a meeting with either of the majors are solely responsible for the consequences.**

Before you start

1. All advising sessions are virtual. Advisors will employ Google Meet for appointments:
 - a. The link will be embedded in the automatic email confirmation.
 - b. See special instructions regarding Google Meet.

2. Modalities: Please be sure to read the information provided on the Registrar's website for information about course modalities and attendance expectations. They are also available under STUDENT RESOURCES on the department website.

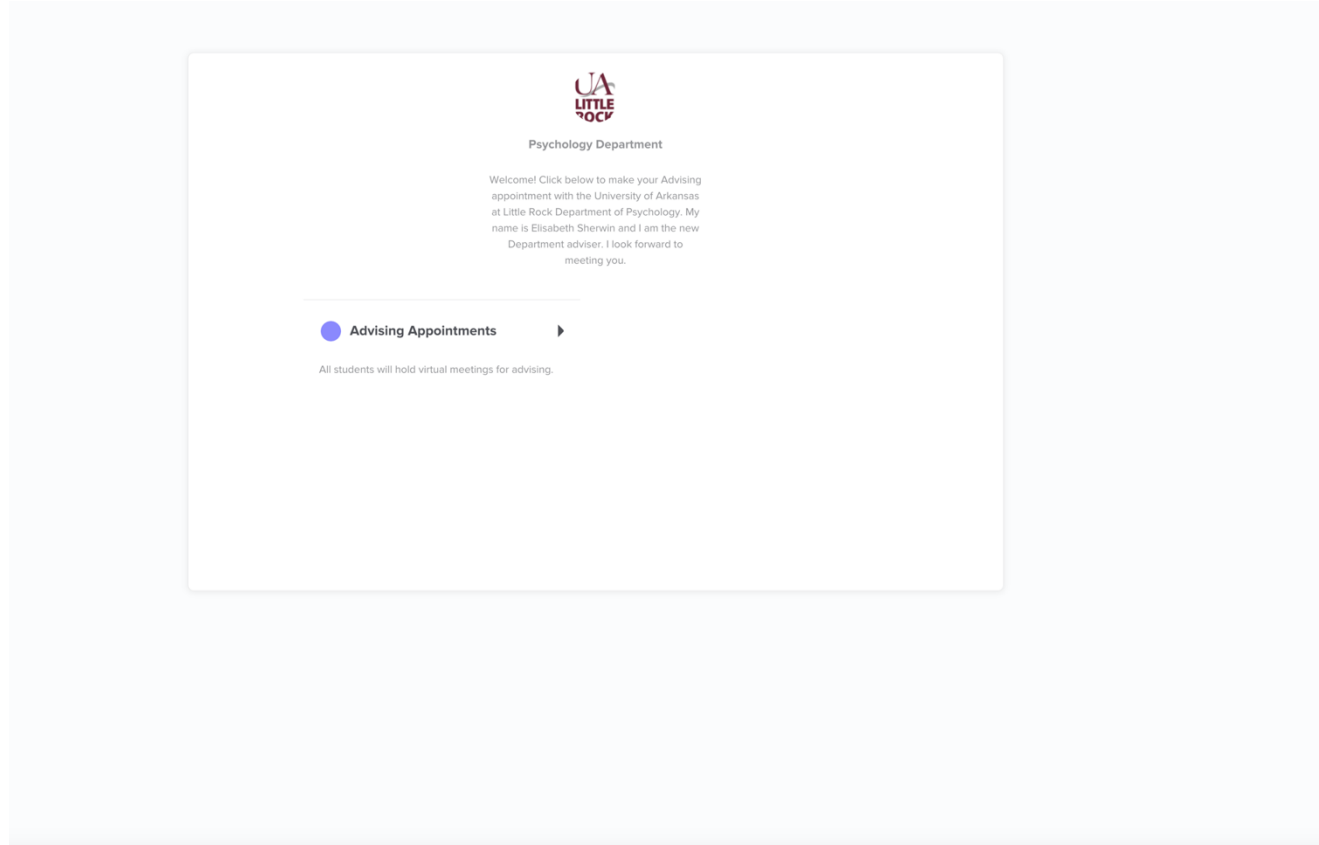

Overview of steps for advising

1. Make an appointment
2. Review degree plan through BOSS
3. Review courses available on CLASS SEARCH
4. Complete Course Selection eForm:
 - Include advisor with whom you **already scheduled** the appointment
 - Include date and time for the already selected appointment
5. Attend Google Meet Virtual Advising session
6. **Enroll in classes as soon as you can** (See Academic Calendar on the university website, find the correct semester and click on REGISTRATION DATES to see when you are eligible to enroll - it is by class rank.)

Step 1: Make an appointment

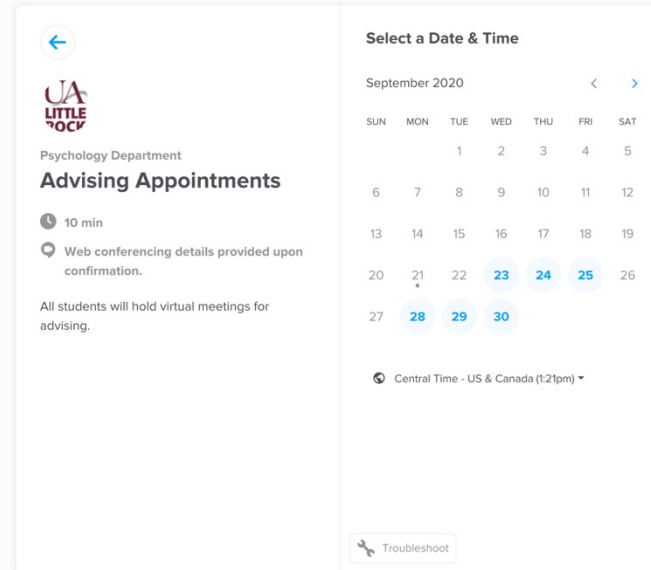

- Make an appointment on Calendly (See department website under ADVISING)
 - Review the appointment times offered by the faculty and select one.
 - Get to know the faculty, mix it up!
 - If a faculty member's name doesn't appear on the drop-down list they are not advising this season.
 - Please do not make multiple appointments:
 - Multiple appointments are unfair to other students.
 - If there are multiple appointments, the later ones will be canceled.
 - Instructions on how to cancel a meeting are available on p. 19 of this handout.

First screen: Calendly*

* This is a generic screen. When you select the faculty member with whom you want to be advised their name will appear where now it says " Department of Psychological Science."

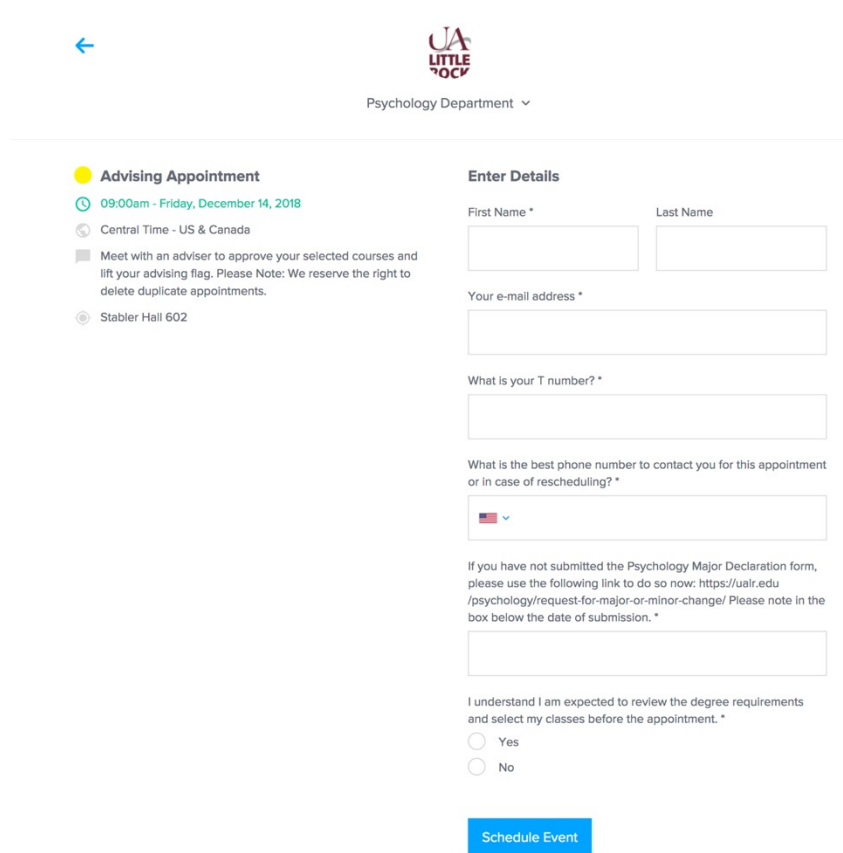

Second screen: Calendly

Third screen: Calendly

Fourth screen: Calendly

The screenshot shows the 'Enter Details' section of a Calendly appointment form. On the left, there is a sidebar with a back arrow, the 'JA LITTLE ROCK' logo, and the text 'Psychology Department'. The main form area includes a yellow 'Advising Appointment' header, a clock icon with the time '09:00am - Friday, December 14, 2018', a location dropdown set to 'Central Time - US & Canada', a greyed-out note about meeting with an adviser, and a location dropdown set to 'Stabler Hall 602'. The 'Enter Details' section contains several required fields: 'First Name *' and 'Last Name' (two separate boxes), 'Your e-mail address *' (a single box), 'What is your T number? *' (a single box), and 'What is the best phone number to contact you for this appointment or in case of rescheduling? *' (a dropdown menu showing a US flag). Below these is a note about the Psychology Major Declaration form with a link to <https://ualr.edu/psychology/request-for-major-or-minor-change/>. At the bottom, there are radio buttons for 'Yes' and 'No' to a statement about reviewing degree requirements, and a blue 'Schedule Event' button.

Please be sure you use your **@ualr** email because:

1. All important information is sent to that address: about Advising Season, curriculum changes, upcoming events, openings in a wait list.....
2. Also, be sure to use the correct @ualr email! Otherwise the confirmation email with link to Google Meet etc. will be lost in space.

ALSO: Please check that you entered the **correct T number**.....

You can reschedule using the same steps

Step 2: Preparing for your appointment

- Find your degree plan:
 - Instructions on how to **find your degree plan** and **how to read** your degree plan are available on our department website under STUDENT RESOURCES → **Degree Plan**. (NOTE: Effective February 18, 2024, the format and look of the degree plan has changed. The information is there – just take your time! We have also placed a new version under STUDENT RESOURCES.)
 - If you receive an error message when you try to access your degree plan, please see STUDENT RESOURCES for instructions on how to fix the issue.
- Some requirements have prerequisites, available on the department website under STUDENT RESOURCES.

Step 3: Select your courses

- Before you select your semester-specific courses, have you:
 - Declared a minor or a second major?
 - To declare a second major – please reach out to that department.
 - Begun, or are progressing, on your foreign language requirements?
 - Verified whether the course you want have prerequisite? The list can be viewed under STUDENT RESOURCES on the department website.
 - Heads up: Not all courses (even required ones!) are offered every semester. So plan ahead!

Selecting a minor or a second major

- Psychology majors must declare a minor or a second major.
- To declare your minor, submit the form found under STUDENT RESOURCES on the department website.
 - To declare a minor – See STUDENT RESOURCES on the department website.
 - If you are in the Online Campus you will need to review options available to that Campus. Type in **Online Minors** on the university main page.
- Majors are declared in the department that houses them. So, if you want to declare a second major, you will need to reach out to that department.
- Start early – integrate these requirements into the coursework early so you are not “chasing” required courses at the end of your career!
 - Submit the form before you start your course selection for the semester and then you can start the coursework this semester.

Double Majors

- If you are a double major you must be advised by BOTH your majors.
- The department that is the second (last) to advise you will raise your flag.

Foreign Language for catalog pre Fall 2024: (no changes!)

- Psychology majors are required to complete a 3-course sequence in a foreign language (1311, 1312, 2311)
- These must be taken **in sequence**. You start with the first course, pass it, take the second course etc.
- You must earn a “C” or better to transfer to the next course.
- Consider taking these courses one after the other so you retain your previous knowledge.
- **Effective Fall 2024 the only foreign language available for students in the Online Campus is Spanish. For those in Main Campus, the availability also includes American Sign Language.**

What happens if I have not finished my foreign language requirement?

- Spanish: No problem! Just keep enrolling.
- French: Consider completing it elsewhere OR starting a new foreign language
- American Sign Language: Available only to Main Campus students. Remember their letter code is INTR not ASL!

Lower and upper level courses

- Every course number tells two stories:
 - The first digit tells if it is lower or upper level.
 - Anything higher than 2 is an upper level (3000 and 4000.)
 - If it starts with a 5 or a 7 it is a graduate course and not available for undergraduates.
 - The second digit tells the number of credits.
 - So:
 - PSYC 2300 is a lower level course
 - PSYC 3435 is an upper level course
 - PSYC 2300 is a 3 credit course
 - PSYC 3435 is a 4 credit course
- This is important because every student must have at least 120 hours to graduate, and 45 of those hours must be upper level.

(Actual) Course selection

- We recommend using the link to CLASS SEARCH found on the university webpage under the QUICK LINKS drop down menu:

- A note about the different campuses:
 - If you take all your classes online, you may be part of the eLearning-Online Campus. Or you may be part of the Little Rock Campus but take your classes online. If:
 - You enroll in U sections then you are part of the Online Campus
 - You enroll in 99X courses (991, 993 etc.,) than you are part of the Little Rock Campus but take your classes online.
 - Do not assume that you are part of the Online Campus just because you take your classes fully online!
 - If you aren't sure to which campus you belong, please. Review the information under STUDENT RESOURCES on the department website.

Guide to reading the Course Selection portal

- Can be found on the department website under STUDENT RESOURCES, under **CLASS SEARCH**.
- The link to Class Search can be found on the main university page, top right hand corner, under **QUICK LINKS**.

List your courses -

- All students will employ an online form: It is available on the department website → Advising
- A copy of the form is automatically forwarded to you at the @ualr email.
- If you did not receive a copy of the eForm, that means there was an error in it. A new form must be submitted.
- The copy of the eForm is automatically forwarded to whomever you have identified in the Course Selection eForm as the advisor with whom you have already scheduled an appointment.
- The eForm must be submitted by the deadline.
- The appointment may be canceled if the form is inaccurate.
