

How to log out of Gmail accounts or

What to do when you keep trying to log in to Google Meet and you have to be admitted (that is – you do not automatically enter the session)?

Below is a screenshot of a gmail Inbox (all private info deleted)

Click on your
Icon, name etc.

STEPS:

When you click on #1 this screen opens up.
Select #2: Sign out of all accounts
Then log in ONLY to your @ualr account.
That. Should do the trick!
