Official Statement from the UA Little Rock Student Government Association

To the student body and administration of the University of Arkansas at Little Rock:

The UA Little Rock Student Government Association would like to, in recognition of the success of our Senate, Committee, Executive, and Judicial meetings, celebrate by wearing appropriate Halloween costumes for the meeting that will be held on Thursday, October 29, 2026. Appropriate is described as non-controversial and unrevealing costumes.

Furthermore, we encourage all students and faculty who are both able and prepared to participate to wear their Halloween costumes Thursday, October 29th, 2026 . We believe that the stress of midterms can be partly alleviated through having a day where costumes are worn.

Signed,
UA Little Rock Student Government Association
