

Study Abroad Via TRM

Getting started in TRM

STEP 1 - Go to ualr.via-trm.com to start looking at your program options for study abroad.

STEP 2 - Click "Sign In", then click "Get Started". Be sure to use your UALR email and password.

STEP 3 - Follow the prompts and answer the questions to start building your profile so you can search programs of interest.

**If you are unable to type or select in any fields, please click "Next" to continue.*

STEP 4 - When complete, click on "profile" in the top left corner, and then "profile preferences" to get to the "program match tool" to explore your study abroad options.

STEP 5 - Once you have been approved of a program, you can continue to build your profile by going to the left menu and click "Traveler Info" to complete the top two sections, "Personal Information" and "Academic Information".

STEP 6 - You can continue to build your application after you have been approved of a program and are getting your materials together for your education abroad experience.
