How will my courses transfer to UALR?

This guide explains how Cossatot Community College of the University of Arkansas courses will apply toward general education requirements at UALR.

When evaluating what transfers, not all of your courses will have a direct course equivalent at UALR; however, they may be applied to UALR core requirements.

For example, PHYS 2024 Physical Science has no direct equivalency but will satisfy four hours of science core.

For full information on equivalencies, see the UALR transfer guide at ualr.edu/records/tca.

Check with an advisor in the department of your major to see if a course will be used for your degree. For information on UALR's core curriculum, go to ualr.edu/advising/home/major/core.
