¹ Please review the UA Little Rock School of Education program admissions program requirements as they differ from the University requirements.

² UA Little Rock offers a number of programs that lead to professional licensure or certification. Each state has different licensing requirements. To see a list of our programs leading to licensure and if these programs lead to licensure in your state, visit ualr.edu/consumerinfo/licensure. Please consult with the UA Little Rock School of Education for updated licensure information.

³ Changes in ADE requirements for middle grade licensure has been restructured for single areas such as: language arts, history/social studies, sciences, and mathematics. Please consult with the UA Little Rock School of Education for questions regarding these updates.

⁴ Concentration courses are suggested based on required Praxis content knowledge examinations and must be completed with a grade of "C" or better.

*NOTE: These courses apply toward both the concentration and major course hour requirements. Concentration methods courses will depend on concentration areas selected: HIST 4397 (Social Studies), TCED 4300 (Language Arts), MATH 3383 (Math), IGSC 4401 (Science).

**Field Experience and Internship courses will consist of student observation and teaching in a public school classroom.

✧ Students must complete ALL REQUIRED COURSES in their approved degree plan to graduate.
