Total Hours: 60

UA Little Rock offers a number of programs that lead to professional licensure or certification. Each state has different licensing requirements. To see a list of our programs leading to licensure and if these programs lead to licensure in your state, visit ualr.edu/consumerinfo/licensure.

Revised: April 2023

^{*}Students must earn a grade of 'C' or greater in College Algebra, its equivalent, or a more advanced mathematics course. In addition, grades of 'B' or greater in Chemistry I and II, or a grade of 'C' or greater in General Chemistry are required for admission into Chemistry at UA Little Rock.

¹ See your advisor at UAPTC for options for electives as well as degree and graduation information.
