UA Little Rock Total Hours: 52-58

Total Hours: 120⁵

¹ See your advisor at Phillips Community College of the University of Arkansas for degree and graduation information.

² UA Little Rock transfer course designations are either guaranteed by ACTS (acts.adhe.edu) or have been approved as a substitution by UA Little Rock. Unless otherwise noted, courses for which no UA Little Rock equivalent course is listed would transfer in as elective credit.

³ Students completing the Associate of Science in Business degree requirements, as shown above, with minimum 2.25 cumulative GPA and a grade of C or greater in Composition II and College Algebra, will have satisfied the UA Little Rock Lower Level Core requirements and will be admitted to the School of Business and the Bachelor of Business Administration degree program as a junior.

⁴ For more specific information about degree requirements within the junior and senior years at UA Little Rock, please review the UA Little Rock Undergraduate Catalog (<http://ualr.edu/catalogs/undergraduate-catalog>) and consult your UA Little Rock academic advisor.

⁵ This degree program requires a total of 120 semester credit hours, including at least 45 upper level credit hours completed at UA Little Rock.

⁶ The Career Catalyst program is a co-curricular degree requirement of School of Business majors. All students take BSAD 2010, Introduction to Career Catalyst upon declaring a major in the School. Over the period of their School of Business coursework, students must complete at least one activity in each of five career development areas. In the semester a student applies for graduation, he or she also registers for BSAD 4010, Career Catalyst Completion to have their activities certified.

⁷ The UA Little Rock business core requires students to demonstrate proficiency with use of information technology through testing.

⁸ The PCCUA in Business Administration degree does not include Business Calculus, which is required for UA Little Rock College of Business majors and is a prerequisite to several business core classes. Additionally, both Microeconomics and Macroeconomics should be completed prior to moving to Upper Level courses. Lastly, BAN 263, Business Communications will not transfer for credit as BINS 3380, but simply as an elective. If these classes are completed at PCCUA, then the necessary work at UA Little Rock includes only the Upper Level courses noted on this sheet.

⁹ UA Little Rock offers a number of programs that lead to professional licensure or certification. Each state has different licensing requirements. To see a list of our programs leading to licensure and if these programs lead to licensure in your state, visit ualr.edu/consumerinfo/licensure.
