## Scholarship Search Assistance

There are a lot of scholarships available inside and outside institutions of higher learning. Scholarships are funds that you do not have to pay back that are used towards college. Many are unaware of what is available to pay for college. We have a section on our TRIO website filled with links to these scholarships and to websites with more scholarships! Should you need assistance, we are here to not only assist you with the list of scholarships, but also with filling out applications, writing an essay, or collecting information and documentation to include in your scholarship packet.
