# RESKILL ARKANSAS

## ReSkill Arkansas

**IN A WORLD THAT REVOLVES AROUND TECHNOLOGY,  
THERE IS A PLACE FOR YOU!**

The goal of the ReSkill Arkansas program is to help unemployed or underemployed individuals find stable, good-paying careers at no cost to you through IT training programs and Apprenticeships.

### WHAT IS AN APPRENTICESHIP?

Registered Apprenticeship is an employer-driven model that provides you **on-the-job learning** and related classroom instruction while you hold a **full-time position**. This paid Apprenticeship Program is tied to a full-time position (Must be able to work Monday-Friday, 8:00 a.m. - 5:00 p.m.)

### WHY SHOULD I CONSIDER AN APPRENTICESHIP?

- No prior experience is required to start a career in IT through an Apprenticeship.
- You are hired for a job and start **earning** competitive wages **from day one!**
- You will get **on-the-job training** & gain knowledge from experienced peers, mentors & managers.
- Apprenticeships **help you build an IT career** like college, but without the debt.
